Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

In the statement of reasons for allowance in the Notice of Allowance dated September 3, 2010, the Examiner provided various reasons for allowance. Applicants will not specifically address or respond herein to the issues/points raised by the Examiner in the Examiner's provided remarks. However, this should not necessarily be viewed as constituting acquiescence by Applicants as to the correctness of some or all of the Examiner's provided remarks.

Moreover, Applicants note that the claims are directed to various combinations of features. It is respectfully submitted that the patentability of each of the allowed and allowable claims resides in every feature of the recited combination of features of the claims in addition to the features noted by the Examiner.

The arguments and amendments presented in the Amendment filed March 29, 2010 include the arguments and amendments Applicants discussed with the Examiner during the subsequent phone interview. It is believed that the arguments and amendments presented therein provide a complete and proper recordation of the substance of the interview. If the Examiner
